Students returning to Colonel Bishop Public School found that some of the school had taken on a new look. Two classrooms, the halls, washrooms and kitchen were painted during the summer vacation.

There an enrolment of 150 pupils and at the present time the classes are not overcrowded. The highest number of pupils in one class is 44. In the other 3 rooms are 37, 36, and 33 pupils.

However, Sandwich West public schools had an increase of 265 pupils in their September enrolment, to push total pupils registered to 1420. Enrolment last year was 1155.

Central Public School on Norfolk Avenue had an increase of 112 pupils with a total enrolment of 412 for nine rooms. Chandler School in the veteran's district packed 66 more pupils inside to jump enrolment to 275 in the eight rooms. There are 232 pupils at Roseland School and 226 at Bondy School which are both seven-room schools. There are 180 enrolled in the six rooms at Cahill School; 84 in the 3-room Malden School and 24 in the 1-room Riverview School.

## Where the Grass Is Greener

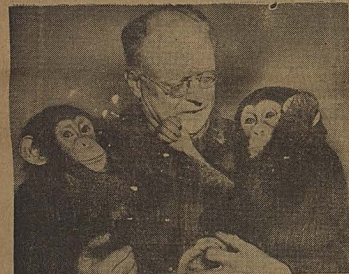

**SKIPPY**, an adventurous parakeet, left, discovers that the interesting looking stuff in the glass jar is bird seed. Not that he's hungry, because his own bird cage contains plenty of seed.

**Then BUCKLE**, a neighbor, peering into the jar, centre, figures the forbidden fruit must be something special. After a few words, Buckle makes a move, right, for what he feels should be his share.

Six Alexander McGill, right, and Henry Gardner, members of the Scottish Council trade mission to Canada, chat at the rail of the Empress of France on their recent arrival in Montreal. They will tour this country to learn "what can be done on behalf of Scotland" in this country.

**HOWARD T. BARRY**, American explorer and wild life collector, is seen here with the two young chimpanzees who provide the most amusing exhibit in his Africa Railroad Zoo Train, a traveling exhibition of wild animals, tropical birds and reptiles. The Zoo Train recently toured Eastern Canada.

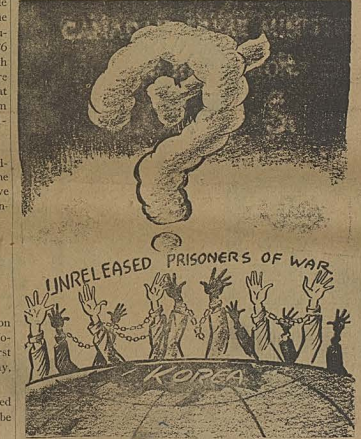

**CHANCELLOR KONRAD ADENAUER**, West German leader of the Christian Democrats, waves a greeting to supporters after "free" Germans gave his party a sweeping victory in the recent election. The victorious German leader called on his people for a united effort to release the 18,000,000 East Germans from the "yoke of Soviet oppression and slavery."

This is a view of the well-dressing, depicting Westminster Abbey, which has been erected in Dams Yard, Westminister Abbey by a team of men from small village of Tidswell, near Buxton, Derbyshire, Eng. The decorative floral piece is about 11 feet high and eight feet wide and is built up with all kinds of flowers, petals, weeds, cones, mosses, lichens of different shades, parsley, leaves and other materials. Old religious custom of well-dressing is still carried on in several villages in northern part of England, particularly in Derbyshire.

## 350 Guests Attend Dupuis-Keane Reception

A setting of yellow and salmon gladioli, ferns and candelabra formed the background at Sacred Heart Church LaSalle, when Rev. Carl Keane, the bridegroom's brother, united in marriage Miss Angeline Dupuis and Mr. Raymond F. Keane in a double-ring ceremony on Saturday morning, September 12.

The bride is the daughter of Mr. and Mrs. Ulysse Dupuis of LaSalle, and the groom is the son of Mr. and Mrs. Edward Keane of McEwan Avenue, Windsor.

Mrs. Arzene Brunet provided the wedding music. Mrs. George Pratt sang Ave Maria and Mr. Roland Gignac sang Panis Angelicus. Alter boys were Pat Keane and Danny Keane, brothers of the bridegroom.

A guard of honour of the Sodality Girls placed Angeline's veil and cape on the altar of the Blessed Virgin, along with a spray of white mums.

The bride, given in marriage by her father, was lovely in a Chantilly lace over satin bridal gown, featuring a Queen Ann collar, lace over skirt with tulle pletting in the front, lily point sleeves and chapel train. A beaded all around crown held her fingertip veil and French illusion with Chantilly lace trim and she carried a white prayer book topped with a white orchid and streamers.

Miss Elaine Pajot, cousin of the bride and maid of honour, and Miss Margaret Dupuis, sister of the bride and bridesmaid, wore identical strapless gowns in peacock blue, styled with a lace criss cross bodice hidden with a lace short sleeved jacket, and a nylon net skirt trimmed with rhinestone flowers. They wore matching all around orange

blossom crown headresses and carried Colonial bouquets of yellow mums and yellow roses with bronze tulle. The flowergirl, Miss Sharon Pajot, cousin of the bride, wore a yellow nylon strapless gown with jacket and a bonnet to match and carried a blue basket of baby mums.

Mr. Jack Fortier was groomsmen and Mr. Michael Keane was best man. Ushers were Mr. Giles Pajot and Mr. Edward Cronc.

A wedding breakfast for 60 followed at the Sunnyside Hotel where the bride's mother received in a two-piece Copenhagen blue tulle dress. She wore a geranium red hat and matching corsage of roses and carnations, and had black accessories. The bridegroom's mother chose for the occasion a cinnamon brown dress with matching accessories, and a corsage of bronze mums.

A reception was held Saturday evening in the Knights of Columbus clubrooms for 350 guests.

For a motor trip to the southern States, the bride wore a 3-piece Hunter's green suit with cinnamon brown accessories and an orchid corsage.

On their return Mr. and Mrs. Keane will reside in their new home on Kensington Boulevard, in LaSalle.

The out of town guests included Mr. Charles Vogt of El Paso, Texas; Mr. and Mrs. Robert Gosh, Mr. and Mrs. Robert Cowell, of Kalamazoo, Michigan; Mr. and Mrs. J. E. Prince, Mr. and Mrs. John Boivin, Mr. and Mrs. E. J. Drouillard, all of Detroit; Mr. and Mrs.

William McGrail of Dearborn, and Mr. and Mrs. Joe Rocheleux of Essex.

Mrs. Keane was entertained at a pre-nuptial party given by Mrs. Lawrence Pajot, Mrs. Eugene Rocheleux and Mrs. Bert Rocheleux. Mrs. Raymond Renaud also gave a miscellaneous shower at her home on Gladstone Avenue, LaSalle.

Another shower was given by Mrs. William McGrail and Mrs. E. Keane in the latter's home on McEwan Avenue, Windsor. Mr. and Mrs. Dupuis entertained after the rehearsal Thursday evening.

## HYDRO STANDARDIZATION MESSAGE

**These men will  
be calling on  
you soon**

**IF YOU LIVE IN  
LaSalle**

These are Hydro's "inventory men" . . . the men who will soon be calling at your home or place of business to check over your electrical equipment and make a list of all items which will have to be altered or adjusted for operation on the standard 60-cycle power, shortly to replace the 25-cycle power you are using now.

You will receive a letter briefly outlining "Operation Changeover," and your part in it, on the reverse side of which is a check list of certain types of electrical appliances which must be altered before they will operate on 60 cycles. This work will be done by Hydro technicians and at Hydro's expense. We ask you to check this list against the appliances in your home or place of business and indicate in it how many you have of each. . . then keep it in a convenient place until our "inventory men" arrive. Remember, when "changeover" day arrives ONLY THOSE APPLIANCES OF WHICH WE HAVE A RECORD CAN BE ALTERED FOR 60 CYCLES.

### FOR YOUR PROTECTION

All representatives of Hydro engaged in "changeover" work carry a special badge or identification card. For your own protection please ask for it.

Keep your list in a handy place ready for the "inventory men". Do this, and you will be helping yourself—and your Hydro—a great service.

**LA SALLE  
COUNCIL MEETING**

The regular meeting of the LaSalle council took place Monday evening, September 21st, at the town hall. Reeve Alber: Nutkins was the only member absent.

The council approved the sale nine lots at \$15 per lot to Mr. Alex Vegh. These lots are on plan No. 718.

Several offers were received to purchase lots on Plan 848. Mr. P.N. Monforton wishes to purchase lot 441; Mrs. Mayme Murphy wishes to redeem lots 442 and 443; Mrs. Isabel La-combe would like to purchase lot 443; and both Mr. E. Lenz and Mr. P. Pajot wish to purchase lots 441, 442, and 443.

Mr. C. J. Léonard would like to redeem lots 1396 and 1397, Plan 793 and Mr. Jack Menard wishes to purchase same.

Mr. Richard Amlin, representing the LaSalle Chamber of Commerce, requested permission to paint "Safety Cross Walks" in the interest of LaSalle school children, and also children of Riverview school. Permission was granted. The council also requested Mr. Amlin to advise the Chamber that the town sign now erected on the corner of Reatune and No. 18 highway, could be moved and erected on the other side of Turkey Creek in Sandwich West.

Mr. Frank Sterling, corner of Main Street and Front Road, has complained that persons of the district, while obtaining water from a public water tap located in front of his home, make a considerable amount of noise late at night. The council feels that it is necessary to place a "Quiet" sign in plain view at the water tap, and with the co-operation of these people, the noise will be reduced.

The Sunnyside development Company is to be advised to make representation at the next council meeting to be held on Monday evening, October 5th.
